## Quality Policy

At Veredus, we give organisations confidence in the decisions that matter most - identifying, assessing, and securing the leaders who drive transformation, strengthen capability, and deliver results in complex, highly regulated environments. We deliver high-quality leadership, search, and advisory services through rigorous processes and a culture of continuous improvement, and we are committed to maintaining consistent, robust standards that uphold the highest levels of quality and governance.

### Our Quality Commitments

We will:

- Adhere to the requirements of ISO9001:2015, ensuring our systems consistently support exceptional delivery and strong governance.
- Continually enhance the effectiveness of our ISO Management System, aligning improvements with our strategic objectives and the evolving needs of our clients.
- Extend the scope of our quality processes in step with business growth, sector expansion and new client partnerships.
- Measure client satisfaction and service quality, using insight to strengthen performance and reinforce trust.
- Drive efficiency and continuous improvement through regular review, monitoring and internal audit of our processes.
- Empower and recognise our people, fostering a culture where quality, accountability and high performance are embedded across the organisation.
- Report transparently to the Senior Management Team, ensuring oversight, alignment and informed decision-making as part of our governance framework.
